Dear Sir:

I recieved your wire and also your letter. I am sorry I didnt answer them before now but I was out of town at the league ~~meeting~~ ^{meeting}. I think you will be well satisfied with these two dates. let me know what date you are coming in so I can make arrangements with the hotel. If you have any cuts or mats of the team send them at once. I would like to have a cut so I can put it on Plank card.

Yours in sport,
David Waitman
